

# HUGE SAVINGS

**London to over 500 destinations  
with your Freedom Pass from  
only £5 return!!!**

**Get out of London cheaply this summer!**

## **Cheap rail fares to the seaside and places of historic or cultural interest!**

From **26 June** to **25 July**, Freedom Pass holders can enjoy some huge savings on rail fares from London terminus stations to destinations across the South East and beyond.

Now is the perfect time of year to escape to the coast for a spot of sea air and there are special fares from London terminals for **just £5 day return** to destinations like **Bognor Regis, Brighton, Eastbourne, Shoreham by Sea, Southend on Sea and Worthing**. Treat yourself to First Class too for only £10 return!

Alternatively, enjoy a spot of history or culture at a reassuringly low price - head to **Windsor** for £5 return, **Oxford** or **Cambridge** for £10 return, **Birmingham, Liverpool, Salisbury, Stratford-upon-Avon** or **Winchester** for £15 return, or **Bristol, Cardiff** or **Norwich** for just £20 (with First Class options too).

As a Freedom Pass holder, you're entitled to these fantastic fare deals, but in order to claim you must:

1. Log onto **[www.daysoutguide.co.uk/oyster](http://www.daysoutguide.co.uk/oyster)** and download a special voucher for each return rail journey you are making (download one voucher for every Freedom Pass holder). There's no limit on the number of journeys you can make.
2. Travel to the London terminus station with your Freedom Pass and present your voucher at the booking office to buy your cheap train ticket, then board the train and go.

**Helpful tips:** If you don't have access to the Internet then ask friends or family to complete step one for you – they'll just need your permission and your Freedom Pass number shown on the back of your card. You can buy your ticket in advance from any National Rail station in London to save time queuing on the day. If your friends hold a Freedom Pass please tell them about this great offer, then get together and enjoy your trip!
